As we head towards wrapping up the semester, we wanted to send a reminder of the new pickup process, continuing from the past couple of years. Please note that only the pick-up process has changed since the end of the 2022 school year. All items will still be redelivered to campus prior to the student's arrival and will be in your room when you arrive.

As stated on the home screen of our website (storagemit.com, before you login), we will have three conveniently located Storage Stations around campus. Students will drop off their storage / shipping items to PBP employees staffing each of these locations. Bins and dollies will also be available for students to use.

Attached is a copy of our station schedule, which can also be found on the homepage of our website. [MIT '25 spring letter](#)
